of the temple and its endowments under Government management. After the management came into the hands of Government the amildar took a muchalika from the same lessees binding them to deliver the produce to him.

In the mean time the creditors of Venkatagiri Gosayee had the produce of 1897-98 and 1898-99 left with Battayagoud attached. He put in a miscellaneous petition to set aside the attachment on the ground that the management of the temple and its properties had been taken over by Government and that he was bound by his muchalika to deliver the produce to the Amildar. The Sub Judge, under whose order the produce was attached rejected the petition on the ground that he and his colessee were the tenants of Venkatagiri Gosayee and that they must therefore abide by the terms of their lease.

Mr. Chenjiah Chetty the then Sub Dy. Collector of French Rocks deeming it expedient under the circumstances to oust the farmer tenants and lease the lands to others, issued orders thro' the Dy. Amildar accordingly but he was found

found that the farmes tenants had already sown paddy and consequently he was obliged to take a lease from the same persons with adequate security. The Sub Div. officer subsequently reported in November 1899 that there could be no difficulty in the recovery of the produce of Vikari 1899-1900.

The present Sub Division officer states in his letter No 623 dated 15th instant that before the Dy: Collector took possession of the produce for 1899-1900 the tenants had received a notice of attachment from Sub judge's Court.

The Sub Div. officer further states as follows:-

"The tenants executed a lease to Venkata-giri Gosayee to continue on Gulla temple the Government Inam lands belonging to the temple which is Government institution. Venkatagiri Gosayee as manager of the temple represented the Government when accepting the lease from the tenants and hence the lease

lease was executed to Government thro
Venkatāgiri Gosayee by the tenants. Although
the lease is binding on the tenants as held
by the Sub judge its effects extends only
so far as they are responsible to the land-
lord viz the Government for paying up his
(Govt) share of the produce and cannot
convert the Land lords' (Govt) share into
the private property of Venkatāgiri Gosayee
which alone is liable for his
private debts and hence the Sub
judge cannot attach the land-
lords' share of the produce of
the Inam lands.

Concurring with the
Sub Division officer in the
foregoing views of the case,
I beg that should the Government
see no objection early orders
may be issued to have the order
of attachment of produce cleared

It has at the same time to be stated that any delay in taking the necessary action would entail in the loss of produce due to the temple in question

To Deputy

~~General and Revenue Departments~~.

Sir,

With reference to your docket No. 667 33.96 of the 21st December 1900, regarding the produce of the Inam lands belonging to the Sri Viswéswaraswami temple at Ganjam, I have the honor to forward herewith a copy of the French Rocks Sub-Division Officer's letter No. 828, of the 14th April 1901, and of this Office reply No. 7— of the 12th Instant.

2. As the execution proceedings referred to by the Sub-Division Officer, are not binding on Government, and as the cultivators of the Inam lands had prior to attachment by the Civil Court, attorned themselves to the Deputy Amildar by executing Muchalikas binding themselves to pay the rents to Government, orders have been issued for the recovery of the arrears of

payments from Heidelambei up to date.

From

K. S. Doraswami Iyer Esqr

To

The Deputy Commissioner
Mysore District
Mysore.

Sir,

With reference to your Memo No. 105 dated 24th December 1900, forwarding Copy of docket No. 667/33-96 dated 21 idem from the Secretary to the Government of Mysore, Inam Department, calling for a report as to the action taken in the matter of the Money due on account of the produce of the Inam land belonging to the Visveswara Swamy temple at Ganjam, Seringapatam Taluk for the years Hevilambi to Sarvari, I have the honor to state that the Deputy Amildar of French Rocks Sub Taluk has reported that the produce

of

of the Inam lands for the years Hevilambi, Vilambi and Vikari is under Civil Court attachment at the instance of Venkatagiri Gosayi's Creditors. This attachment by the Civil Court must be set aside. I would request a perusal of Mr. N. Venkata Row's letter No. 623 dated the 15th January 1900 and docket No. 739 dated 14th February 1900, wherein it was made clear how totally inoperative the Sub Judge's order must be held to be in respect of the temple lands and their produce. As stated by Mr. Venkata Row, even the agreement entered into by Venkatagiri Gosayi with the cultivators of the temple lands must be held to have been done on behalf of the temple. It was so far back as the 8th December 1896 that the Amildar obtained the 1st Muchalika wherein the Cultivators bound themselves to withhold the Gutta from Venkatagiri Gosayi pending the orders of Government. Some two months later, i.e. on the 8th February 1897 orders issued from Government for taking over the temple

and its endowments under direct manage-
ment.

When Bellegonda and Hanumegowda,
the cultivators of the temple lands, petitioned
the Sub Judge against his order of attach-
ment, the Sub Judge passed an order
under date the 2nd of November 1898 in the
course of which he stated that as the
petitioners were tenants under Venkatagiri
Gosayi, any Mulchalika executed by
them in derogation of the rights of their
land lord would be invalid and that
since there was a debt admittedly due to
Venkatagiri Gosayi by the petitioners, there
was no reason why the produce of the
lands cultivated by the petitioners should
not be attached at the instance of Venkata
giri Gosayi's Creditors. So far, all right,
had the debts been contracted on behalf
of the temple, but that was not the case.
A decree obtained by a person on ac-
count of moneys due to him (or)

another ought not to proceed against the property of a third person wholly unconcerned in the transactions between the first two.

Out of the amount of about Rs 900/- the equivalent of the produce for one year a sum of Rs 700/- is reported to have been recovered from Patil Madegonda who stood surety for the cultivators. Steps are being taken for the recovery of the balance aswell as of the produce for the year Sarvari. The Deputy Amildar is instructed to take proper Mutchalika every year regularly from the cultivators. Vikari

(Report No. 85 of the 8th March 1907 from the Deputy Amildar and other papers relating to this case are enclosed for reference. The Deputy Amildar explains that he knew nothing of this correspondence being new to the Sub Taluk.

In Conclusion, I have to request

that early steps be taken to remove the attachment by the Civil Court. In view of the facts explained above, it is needless, perhaps, to add that the question of who had the prior Mutchulka cannot affect us.

I have the honor to be

Your Most obedient Servant.
